About Us

Tech Cloud ERP Software Pvt. Ltd.,
is a india based software development company offering a spectrum of information technology, consulting and business enhancement services.

Transform the Way You Work - Every Day

In publishing and distribution, handling content planning, stock, subscriptions, billing and sales through different tools can get confusing and time consuming. If you're creating and delivering educational content across different channels, you need a system that brings everything together.

Tech Cloud ERP puts all your work in one place. It's made for publishers and distributors, helping you manage everything smoothly and easily.

Why Use ERP for Publishing & Distribution?

Tech Cloud ERP is more than just software. It's a smart system that connects your teams, makes your work faster, helps you in avoiding mistakes and gives you full control over your business. Whether you're planning new content or sending out magazines, this system keeps everything organised and running on time.

Key Benefits

Content Planning Made Simple
Plan, assign and follow the progress of content. Make sure everything is done on time and at a high standard.

Easy Stock Management
Know exactly how many books or magazines you have. Get alerts when it's time to print more.

Automatic Subscription Handling
Manage new subscribers, renewals, reminders and billing without any manual work.

Clear Financial Tracking
From payments to taxes, everything is tracked and recorded correctly.

Better Sales and Delivery Insights
See what's selling best, how fast items are being delivered and which sales channels are working well.

Stay Connected with Customers
Keeps track of customer messages, follow up leads and support bookstores or readers with ease.

Team and HR Support
Manage salaries, attendance and staff performance while keeping everyone connected.

Modules That Make Your Work Easier

Sales & Customer Management
Get more leads, run campaigns and manage your sales whether you're selling to stores or directly to readers.

Purchase & Supplier Management
Handles supplier contracts, orders and costs clearly and simply.

Stock Management
Watch your stock levels, move items between locations and track returned or damaged copies.

Content & Production
Work together with writers, editors, designers and proofreaders in one place.

HR & Admin
Handles payroll, leaves, performance reviews and team communication easily.

Accounts & Payments
Record income and expenses, create reports and stay compliant with tax rules.

Subscriptions & Billing
Offer flexible plans, bundle digital and print versions and send invoices automatically.

We're Here to Help

At Tech Cloud ERP, we know publishing is not just about content. It's also about being fast, staying organized and making customers happy. Our ERP system helps you focus on your creative work while we take care of the rest.
